

“One person caring about another represents life’s greatest value.”

-Jim Rohn

“We believe family caregivers deserve a break from care giving in order to maintain their health and well-being.”

**SANTEE  
LYNCHES**

# Family Caregiver Support Program

Area Agency on Aging

Serving the counties of  
Clarendon, Kershaw, Lee,  
and Sumter

## Respite Program

Are you caring for a senior or a person with Dementia?

The respite program is designed to give unpaid caregivers a temporary break.

Respite services are available to:

- Caregivers who care for loved-ones (60 and older) who need assistance with daily tasks.
- Caregivers for people diagnosed with Alzheimer's disease or related dementia.
- Caregivers age 55+ who are caring for an individual, age 18-59, with a disability.

“There are four kinds of people in the world:  
Those who have been caregivers;  
those who are caregivers;  
those who will be caregivers;  
and those who will need caregivers.”

-Rosalynn Carter

## Older Relative Caregiver Program (ORC)

Are you a senior who is the primary caregiver for children?

The purpose of the ORC program is to assist people 55 and older, by sponsoring the costs of *tutoring, after-school programs, and summer camps* for the children in their care.

By doing so, we offer a break to caregivers and enrichment to children in our community.

## Supplemental Assistance

Are you paying out-of-pocket for incontinence or nutrition supplies like *Depends, Boost, or Ensure*?

Does your loved one need assistive items like a *cane, walker, or shower chair*?

The supplemental assistance voucher can help reimburse you for approved caregiver items that you purchase.
